Points

Why there are number of Phaoplet

① Allah sent Prophets to every tribes, every civilization, every nation
ہر قبیلہ، ہر قوم، ہر ملک

So no one can say I don't have right access to get right information from Allah

② All Prophets have same (SOP) by divine intellect is constant
SOP (halal or Haram) -
like قتل کرنا

Never Galavey is in our religion.
This tells what is device intellect

③ → why Prophet stopped in Hazrat (S.A.W)? (S.A.W is sated) after

because message are now Transferred
→ humans are so civilized that message easily convert (جیسے کاپی)

communication gap is not like Previous
